# About NitiQuest

NitiQuest is a year-long, national-level initiative that bridges academia, startups, and industry. Designed for management and engineering students, the program enables participants to build, validate, and pitch startup ideas, while unlocking funding, internships, jobs, and founding-team opportunities.

## Two Powerful Phases. One Transformative Journey.

### PHASE 1: STARTUP STRATEGY & PITCH CHALLENGE

- Investor-style pitch decks & business plans
- Evaluation by expert → National Grand Finale
- Seed funding & national recognition

### PHASE 2: LIVE PROJECTS, INTERNSHIPS & JOBS

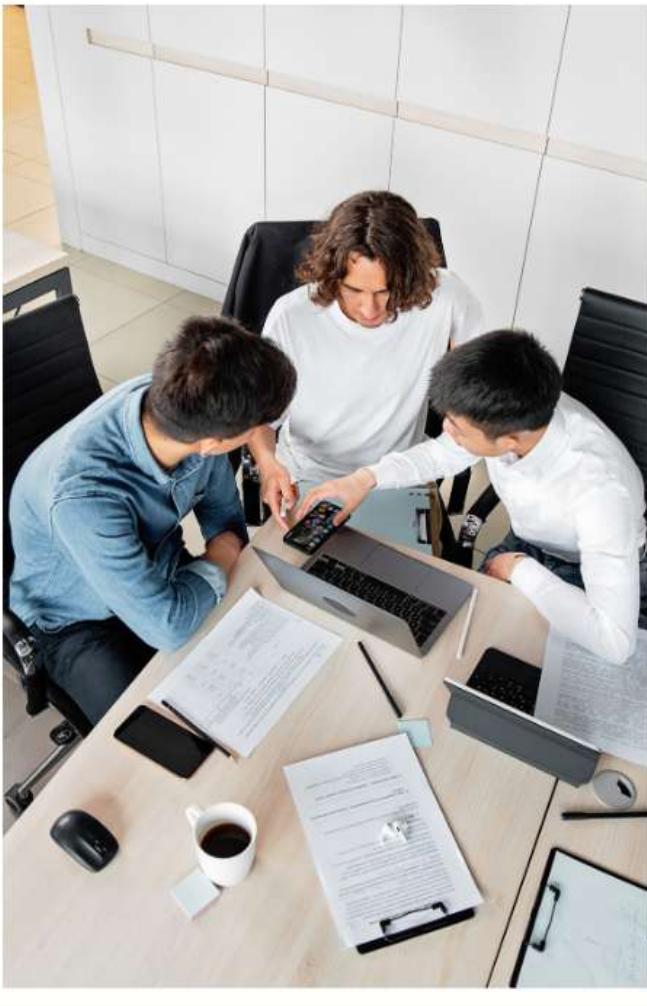

- Real-world projects with industry partners
- Paid internships & job opportunities
- Founding team placements with startups

### ELIGIBILITY & TEAM STRUCTURE

- Open to currently enrolled Graduate & Post Graduate students
- Individuals or teams of 3-5 members
- One startup idea per team
- Participation through registered colleges or institutions
